

Environmental Policy

Atana Limited supply wastewater treatment chemicals to industry. Protecting the environment is part of Atana's core principles and we consider it to be sound business practice.

In this policy statement we commit our company to:

- Complying with all relevant environmental legislation and approved codes of practice
- Protecting the environment by striving to prevent where possible and minimise our contribution to the pollution of land, air and water
- Keeping wastage to a minimum and maximising the efficient use of resources
- Managing and disposing of all waste in a responsible manner
- Providing training for our staff so that we all work in accordance with this policy

This policy statement will be regularly reviewed and updated as necessary.

The management team endorses this policy statement and is fully committed to its implementation.

Policy reviewed and re-issued April 2009. Next review due April 2010
