

Health & Safety Policy

Atana Limited is committed to protecting the health and welfare of its employees, contractors, suppliers, site visitors and clients at all times.

We adhere to the requirements of all applicable health & safety legislation and approved code of practice.

We employ external specialists, when necessary, to provide the most effective health & safety management system possible in order to protect human health.

We actively promote a culture of safety consciousness. We assess the risks to those performing activities on our behalf on a task by task basis.

We ensure that adequate protective equipment, procedures and training are available.

We frequently review and audit our health & safety management system to ensure it is performing at an optimal level in the light of changing legal obligations and available technology.

Policy reviewed and re-issued April 2009. Next review due April 2010
